

Glenelg High School Marching Unit

Once again the Glenelg High School Marching Unit will be running the Fried Dough Stand during the Howard County Fair. This fundraiser is a great way to earn money and meet other marching unit families. For each hour that the student works he will earn an hourly wage. The hourly wage will be computed at the conclusion of the fair and is dependent on the amount of profit generated by the stand. This money will go directly into the student's account and can be used to help defray the cost of the spring trip.

This year's fair will run from Saturday August 2 to Saturday August 9. Setup of the stand will be on Saturday July 26, paint on Sunday July 27, and teardown on Sunday August 10. Both **parents and students** are needed to help with the setup, paint, and teardown of the stand and also to work a four hour shift during the week of the fair. Shifts will run from 11am–3pm, 3pm–7pm, and 7pm–11pm.

Several parents have expressed a reluctance to volunteer in the stand because they are unfamiliar with how the process works. In response, we have decided to hold a training session for parents only. This is not mandatory, but is being offered in response to your requests. The session will be held at the fried dough stand on Friday August 1 at 7:00. During this time we will explain the parents' responsibilities and teach you how to make fried dough.

Parents and students this fundraiser can not be successful without your support. Please consider volunteering. Indicate your availability on the attached form and **mail by July 1, 2008** to:

Bonnie Isley
14797 Carriage Mill Drive
Woodbine, MD 21797

Those whose forms are received after July 1, 2008 will not be assigned a shift but will be put on the "on-call" list and will be called first if there is a cancellation. **Please carefully consider your selections. Once the schedule is set you will go onto the "on-call" list if you can not work your assigned shift and you will be called only if there is a cancellation.** If you have any questions I can be reached at 410-489-2665 or at bisley@verizon.net.

Thank you for your support
