Please plan to join us on Sunday, May 17 when Glenelg High School hosts an extraordinary evening of entertainment called "**Jazz Under the Stars!**" The award-winning Glenelg High School Jazz Ensemble will present its annual concert and catered picnic dinner at the scenic Chapel View Farm in Woodbine, Maryland on Sunday evening, May 17 at 5:00 pm

Joining the band onstage will be the popular and exciting jazz singer and songwriter **Deanna Bogart** ([www.deannabogart.com](http://www.deannabogart.com)). This concert has quickly become a popular community event as families, neighbors and business associates gather for a sumptuous buffet dinner, followed by some of the best live jazz entertainment you will find in this area.

Over the last ten years, this special event has raised over \$50,000. Proceeds from this event will be used to support the **Glenelg High School Bands and Marching Unit**. You may be familiar with the accomplishments of this extraordinary program – it has, in fact, gained a tremendous reputation as a unique treasure to this community. Not only has the concert band, jazz band and marching unit received national accolades for over 30 years, the program has taught hundreds of students about discipline, teamwork, and success. Over the years, countless students have returned to say they still feel the pride that came from participating in a demanding but widely recognized organization. The dedication required for performances and concerts taught them valuable lessons they put to use in their lives and careers.
